A. Purpose

The manipulation of sporting competitions and related activities undermines the integrity of sport.

Manipulation of sporting competitions and matches can be a crime and punishable by law.

This Policy, and the Competition Manipulation and Sports Wagering Policy for Community Netball are intended to supplement Commonwealth and State and Territory laws and regulations with further rules of professional conduct for those involved in the sport of netball.

These policies are not intended, and should not be interpreted, construed or applied, to prejudice or undermine in any way the application of such laws and regulations.

Relevant Persons and Relevant Organisations must comply with all applicable laws and regulations at all times.

These policies form the foundation of the fight against corruption in the sport of netball in Australia, recognising that World Netball has in place the World Netball Ethics and Anti-Corruption Code (March 2019) that applies to International Netball. These policies recognise the following imperatives of WN, which are shared and held by NA:

- a) all netball Matches are to be contested on a level playing field, with the outcome to be determined solely by the respective sporting merits of the competing teams and to remain uncertain until the match is completed. It is this essential characteristic that gives netball its unique appeal; and
- b) public confidence in the authenticity and integrity of the sporting contest and in the uncertainty of its outcome is vital. If that confidence is undermined, the very essence of netball is compromised.

This Policy prescribes Prohibited Conduct which constitutes a breach by a Participant, NA and/or Netball Organisations, as well as offences which must be reported to NA in respect of Participants.

B. Scope and Exclusions

This Policy applies to Participants, NA and Netball Organisations.

This Policy recognises that Elite Programs and Participants in those programs are at greater risk of corruption and manipulation of the sporting competition, for this reason, increased measures are in place for Participants in the Elite Programs.

Affiliate Persons and Affiliates are bound by the Competition Manipulation and Sports Wagering Policy for Community Netball.

i) Participants

For Participants, this Policy applies from the date that a person or entity is first engaged (by way of Employee or Contractor arrangement, selection in a Team/Squad, appointment to officiate or deliver an Activity) with NA, or a Netball Organisation until the date **6 months** after their last engagement/involvement (either by way of participation or expiry of contract, whichever is later).

Each Participant is automatically bound by this Policy as soon as they become a Participant. From that point, they shall be deemed to have agreed:

- a) for the purposes of applicable data protection and other laws and for all other purposes, to have consented to the collection, processing, disclosure and use of information relating to themselves and their activities, including personal information relating to themselves and their activities, to the extent expressly permitted under the terms of this Policy, and shall confirm such agreement in writing upon Demand;
- b) that it is their personal responsibility to familiarise themselves with all of the requirements of this Policy, including what conduct constitutes Prohibited Conduct, and to comply with those requirements;
- c) to submit to the authority of NA to adopt, apply, monitor and enforce this Policy and to investigate apparent or suspected conduct that may constitute Prohibited Conduct;
- d) to submit to the jurisdiction of the NA Tribunal to hear and determine:
 - i. any allegation by NA that the Participant has breached this Policy; and
 - ii. any related issue (e.g. any challenge to the validity of the charges or to the jurisdiction of NA or the NA Tribunal, as applicable);
- e) to submit to the exclusive jurisdiction of any appeals tribunal convened under the NA Tribunal Rules to hear and determine appeals made pursuant to this Policy; and
- f) not to bring any proceedings in any court or other forum that are inconsistent with the foregoing submissions to the jurisdiction of the NA Tribunal.

Without prejudice to the above, a Participant shall also be bound by the anti-corruption rules of WN and all other Members of WN:

- a) not to commit corrupt conduct as set out under those rules; and
- b) to submit to the jurisdiction of first instance and appeal hearing panels convened under those rules to hear and determine allegations of breach of such rules and related issues.

Note: A copy of the World Netball Ethics and Anti-Corruption Code (March 2019) can be found [here](#).

The Anti-Corruption provisions of the World Netball Ethics and Anti-Corruption Code are materially the same as this Policy.

For the avoidance of any doubt:

- a) Where a Participant's alleged conduct would amount solely to a violation of this Policy (whether such conduct actually relates to an Activity or not), NA will have the exclusive right to take action against the Participant under this Policy for such conduct;
- b) Where a Participant's alleged conduct would amount solely to a violation of the anti-corruption provisions of the World Netball Ethics and Anti-Corruption Code (whether such conduct actually relates to an International Match or not), World Netball will have the exclusive right to take action against the Participant under its own anti-corruption rules;

- c) Where a Participant's alleged conduct would amount solely to a violation of the anti-corruption rules of another Member of World Netball (whether such conduct actually relates to a Match taking place within the territory of such National Association or not), the relevant National Association will have the exclusive right to take action against the Participant under its own anti-corruption rules;
- d) Where a Participant's alleged conduct would amount to a violation of this Policy and one or more of the anti-corruption provisions of the World Netball Ethics and Anti-Corruption Code and/or the anti-corruption rules of any other National Association:
 - i. if the alleged conduct relates solely to one or more Matches in the Elite Program held under NA's jurisdiction, NA will have the priority right and responsibility to take action under this Policy against any relevant Participant for such conduct (irrespective of the nationality or place of residence of the Participant), but where it fails to take any action under this Policy within 180 days of becoming aware of the conduct or agrees to defer to the National Association to which the Participant is affiliated, the National Association to which the Participant is affiliated may instead take action against the Participant in respect of such conduct under its anti-corruption rules provided it has first given notice in writing of such to NA;
 - ii. if the alleged conduct relates solely to one or more International Matches, WN will have the exclusive right to take action against the Participant under the World Netball Ethics and Anti-Corruption Code;
 - iii. WN will have priority right and responsibility to take action under the World Netball Ethics and Anti-Corruption Code against any Participant who participated on behalf of, or who was in any way associated with, or whose conduct was related to, the participating representative team of a WN Member;
 - iv. if the alleged conduct relates to one or more Matches in the Elite Programs held under the jurisdiction of NA and one or more International Matches and/or one or more Match played under the jurisdiction of another National Association, NA, WN and/or the other relevant National Association shall agree between them which of them shall take action (and, where applicable, in which order) against any relevant Participant for such conduct.

In the absence of agreement, NA shall take action solely with respect to conduct relating to the relevant Elite Program held under its jurisdiction, WN shall take action solely with respect to conduct relating to the relevant International Matches and/or the other relevant National Association shall take action solely with respect to conduct relating to the other relevant match;

Without limiting the obligations of Participants or Netball Organisations, NA shall be responsible for promoting this Policy awareness and education amongst all Participants.

APPENDIX 1: Netball Australia Mobile Device Policy

Effective Date: 1 February 2025

1. Introduction, Scope and Application

- 1.1 NA has adopted this Policy in support of the Competition Manipulation and Sports Wagering Policy for Elite Programs.
- 1.2 This Policy seeks to address advancing mobile communication technology and increasing sophistication in the methods by which betting takes place on netball Matches, in particular the SSN, by placing limitations on communication between Athletes, Athlete Support Personnel, Umpires and Umpire Support Personnel and other nominated third parties from the moment that they first enter the Venue on the day of a SSN Competition Match through to its completion.
- 1.3 All Athletes, Athlete Support Personnel, Umpires and Umpire Support Personnel as well as SSN Clubs and MOs:
 - 1.1.1 are automatically bound by and required to comply with all of the provisions of this Policy; and
 - 1.1.2 agree to submit to the authority of the NA General Manager – Legal & Integrity (and/or any individual appointed to act on their behalf), to adopt, apply, monitor and enforce this Policy.
- 1.4 For the avoidance of any doubt, nothing in this Policy is intended to limit the responsibilities of any Participant, SSN Club or MO under NA's Code of Conduct and Competition Manipulation and Sports Wagering Policy for Elite Programs or any other NA rules or regulations that may apply from time to time.

2. Access to the Athlete Zone

- 2.1 At each relevant SSN Competition Match, the Athlete Zone shall comprise of the following:
 - 2.1.1 each of the team changerooms (including any medical or other similar rooms attached to the changeroom) that are used by the SSN Clubs participating in SSN Competition Matches;
 - 2.1.2 each of the Umpire changerooms (including any medical or other similar rooms attached to the changeroom) that are used by the Umpires in the relevant Match;
 - 2.1.3 each of the SSN Club filming platform areas;
 - 2.1.4 the warm up/gym area(s) used by the SSN Clubs and Umpires during and after the relevant SSN Competition Match; and

- 2.1.5 all other areas that the NA General Manager – Legal & Integrity determines should be included, such determination to be entirely at their discretion.
- 2.2 Host SSN Clubs (and NA, for NA conducted Matches) must:
- 2.2.1 ensure that there are no static/landline (or other) telephone communication devices within the Athlete Zone on the day of an SSN Competition Match;
- 2.2.2 adopt and manage the NA accreditation system which enables access to the Athlete Zone to be controlled and monitored by the NA General Manager – Legal & Integrity, Match Delegate and members of the security team appointed for such purpose;
- 2.2.3 provide adequate and suitably qualified security (with appropriate training, briefings and identification) to be on duty at entry points to the Athlete Zone the moment that the Venue has been secured for an SSN Competition Match right through until all Participants have left the Venue after the SSN Competition Match has been completed;
- 2.2.4 ensure that there are no fixed or temporary video cameras or other recording equipment set up within the Athlete Zone (including, in particular, any changeroom) for the purposes of broadcasting video or audio footage therefrom unless prior authority has been granted by the NA General Manager – Legal & Integrity;
- Note: As an exception to Clause 2.2.4, a vision-only video camera for broadcast may be set up or used (by a single camera operator) within the Athlete Zone (team meeting/warm up area only) provided that the following safeguards are implemented at all times:*
- (a) the camera must only have any audio-recording capability disabled;*
- (b) can only record for a maximum of a 2 minute interval in each break.*
- 2.2.5 provide a safe and secure locker (or other similar storage facility), into which all Umpires, Umpire Support Personnel and temporary visitors (including NA/SSN Club, or MO staff, representatives, officials, contractors or volunteers) to the Athlete Zone must deposit all Mobile Devices at the time of entering the Athlete Zone;
- 2.2.6 ensure that each team manager implements a protocol pursuant to which all Mobile Devices must be:
- 2.2.6.1 collected from the Athletes and Athlete Support Personnel (other than those with exceptions) upon a team's arrival at the Venue on the day of an SSN Competition Match. For each SSN Club's obligations see Clause 5.1;
- 2.2.6.2 safely and securely stored during that Match (which can be in a secure box in the changeroom) until its completion.

3. Display of Accreditation Passes

3.1 General Principles:

- 3.1.1 As a general rule, access to the Athlete Zone will be restricted only to those individuals whose presence in that area is absolutely essential for operational purposes. SSN Club Boards, CEOs and other operational staff without a direct operational reason for being in the Athlete Zone should not enter the Athlete Zone until the completion of the Match. Where access is required, those individuals will be subject to all requirements of this Policy, which for the avoidance of doubt, requires those individuals to also hand in their Mobile Devices for the duration of the Match.
- 3.1.2 In certain circumstances, temporary Match day access may also need to be issued by the Match Manager and/or Match Delegate to any other individuals who may need access to the Athlete Zone from time to time for operational reasons, including, for example, NA, SSN Club and MO officials, contractors or volunteers and members of the venue's security, cleaning or catering staff. Such temporary access can only be provided by the Match Manager and/or Match Delegate, who may impose such conditions on the access (including for specific time periods or areas etc) as he/she deems appropriate in the circumstances.
- 3.1.3 For the avoidance of doubt, and except as described in Clause 3.2, below, no individual, irrespective of their identity, job, role or responsibility, will be allowed to enter, or remain within, the Athlete Zone without displaying an official accreditation pass.

3.2 Athletes, Athlete Support Personnel, Umpires and Umpire Support Personnel:

- 3.2.1 All Athletes, Athlete Support Personnel, Umpires and Umpire Support Personnel must display their accreditation passes prior to their first entry into the Athlete Zone on the day of an SSN Competition Match.
- 3.2.2 Once they have complied with Clause 3.2.1, Athletes, Athlete Support Personnel (subject to being in team uniform) and Umpires need not carry their accreditation passes so long as they remain at all times within either the Athlete Zone, or field of play. Should any such person need to leave this area for any reason other than in the case of a medical or security emergency or to base themselves at a filming platform, then they must:
 - 3.2.2.1 carry their accreditation pass with them when they leave the Athlete Zone and must display it again prior to their return to the Athlete Zone; and
 - 3.2.2.2 comply, at all times, with all of the restrictions on use of communication devices set out in Clause 4 as if such person remained within the Athlete Zone.
- 3.2.3 All other persons not identified in Clause 3.2.2, above must carry their accreditation passes at all times while they remain within the Athlete Zone.

4. Temporary 'visitors' to the Athlete Zone

- 4.1 All temporary visitors will only be issued accreditation passes by the NA General Manager – Legal & Integrity, via the Match Manager and/or Match Delegate in accordance with the provisions of the Policy.
- 4.2 If issued, all temporary visitors must carry their temporary 'visitor' accreditation passes at all times whilst they remain within the Teams and Officials' Operating Areas.
- 4.3 All temporary visitors must comply with this Policy at all times while they remain within the Athlete Zone.
- 4.4 Where the temporary visitor is linked to an SSN Club, they must as soon as practicable upon entering the Athlete Zone, hand over their Mobile Device and confirm contact number to the team manager for recording in the Record of Mobile Devices (in accordance with Clause 2.2.6.2).

5. Use of Communication Devices in the Athlete Zone

- 5.1 Subject to the exceptions set out in Clause 5.2, the following prohibitions shall apply from the moment that a Venue has been secured for an SSN Competition Match through to its completion:
 - 5.1.1 no person shall be allowed to use and/or carry any Mobile Devices for any reason whatsoever, whether to access the Internet or otherwise, in the Athlete Zone. It is each individual's responsibility to comply with this restriction, however in order to minimise the risk of non-compliance by any Athlete or Athlete Support Personnel, each team manager must implement a protocol pursuant to which all Mobile Devices must be:
 - 5.1.1.1 collected from the Athletes and Athlete Support Personnel (other than those with exceptions) upon a team's arrival at the Venue on the day of an SSN Competition Match;
 - 5.1.1.2 recorded on the Record of Mobile Devices as set out in Annexure A and a photograph of all Mobile Devices secured taken. This record must be emailed to integrity@netball.com.au within 48 hours of the completion of the Match; and
 - 5.1.1.3 safely and securely stored during the SSN Competition Match until such time as those Mobile Devices can be returned at the conclusion of the SSN Competition Match. The Umpires will implement a similar protocol relating to the Mobile Devices of the Umpires and/or any Umpire Support Personnel.
 - 5.1.2 no person shall be allowed to use and/or or carry, any laptop computer (or any other similar communication device) for any reason whatsoever, whether to access the Internet or otherwise, in the Athlete Zone;
 - 5.1.3 no person shall be allowed to use any static landline (or similar) telephone capable of making calls from inside or receiving calls from outside the Athlete Zone; and
 - 5.1.4 without limiting the definition of Mobile Devices, no Athlete, Athlete Support Personnel or Umpire shall be allowed to use and/or wear or carry on their person any Smart Watch/Bracelet, in the Athlete Zone, including while on the field of play.

- 5.2 **EXCEPTIONS TO CLAUSE 5.1:** Unless otherwise agreed by the NA General Manager – Legal & Integrity in advance, the only exceptions to the above prohibitions are:
- 5.2.1 Each team manager shall be permitted to carry a reasonable number of Mobile Devices required for operational reasons and as approved by NA in writing, provided that those Mobile Devices can only be used either: (a) for netball operations purposes; and/or (b) by any Participant for any important personal matter, provided that the team manager has given their express permission to the Participant before such use. The team manager can carry the Mobile Device of an Athlete or Athlete Support Personnel where the Mobile Device is required and used solely for medical reasons;
- 5.2.2 Each team media manager shall be permitted to carry one Mobile Device within the Athlete Zone, provided that any such device must be turned onto silent mode at all times whilst such individual is in the Athlete Zone and it can only be used for responding to direct media enquiries received from media outlets such as broadcasters and journalists (**Media Outlets**), either inside or outside the Athlete Zone. The team media manager must not, in any circumstance, use the Mobile Device to transmit any photograph or video footage from within the Athlete Zone (other than the field of play) including without limitation to Media Outlets, social media, digital platforms or any other person or entity until after the conclusion of the SSN Competition Match;
- 5.2.3 Each coach shall be permitted to carry and use a laptop computer (or any other similar communication device), whether to access the Internet or otherwise, within the Athlete Zone, provided that it is used solely by them and only for netball operations purposes of a logistical or administrative nature related to any SSN Competition Match (this may include time keeping functions and statistics generated from the performance analyst);
- 5.2.4 The performance analyst for each team shall be permitted to carry and use one laptop computer (or other similar device) and a Mobile Device (purely for internet connectivity for the performance match analysis feed should the Venue’s internet not provide a sufficient connection), whether to access the Internet or otherwise, within the PMOA, provided that the laptop is only used for undertaking performance match analysis (including a feed to the SSN Club coaches) and must not be used for any other purpose.
- 5.2.5 A further reasonable number of other Athlete Support Personnel per team, whose identity must be approved in advance by the NA General Manager – Legal & Integrity, may be permitted to carry and use a laptop computer (or any other similar communication device) within the Athlete Zone, provided that:
- 5.2.5.1 it is used only by the identified individual and only for netball operations purposes;
- 5.2.5.2 it may not be used to access the Internet at any time until the conclusion of the SSN Competition Match; and
- 5.2.5.3 the NA General Manager – Legal & Integrity shall have absolute discretion to direct that the laptop computer (or any other similar communication device) be used only in a specific area or location within the Athlete Zone.

- 5.2.6 The Match Delegate shall be permitted to carry two Mobile Devices, where one of those Mobile Devices is a Smart Watch/Bracelet (in all other circumstances, the Match Delegate shall be permitted to carry one Mobile Device), within the Athlete Zone, provided that it is used either: (a) for netball operations purposes only; and/or (b) by any Umpire or Umpire Support Personnel for any important personal matter only, provided that the Match Delegate has given their express permission before such use;
- 5.2.7 The Match Delegate shall be permitted to carry and use a laptop computer (or any other similar device), whether to access the Internet or otherwise, within the Athlete Zone, provided that it is for their sole use and only for netball operations purposes; and
- 5.2.8 The Umpire Coach and/or Selector shall be permitted to carry and use a laptop computer (or any other similar communication device) within the Athlete Zone, provided that:
- 5.2.8.1 it is used only by the identified individual and only for netball operations purposes;
 - 5.2.8.2 it may not be used to access the Internet at any time until after the conclusion of the Match; and
 - 5.2.8.3 the NA General Manager – Legal & Integrity shall have absolute discretion to direct that the laptop computer (or any other similar communication device) be used only in a specific area or location within the Athlete Zone; and
- 5.2.9 The Match Day Doctor and/or each SSN Club doctor (or team physiotherapist in circumstances where there is no team doctor) shall be permitted to carry and use one Mobile Device and one laptop computer (or other similar device), whether to access the Internet or otherwise, within the Athlete Zone, provided that either device will only be used in the case of a genuine medical emergency and must not be used for any other purpose. Any such Mobile Device must be turned onto silent mode at all times whilst such individual is in the Athlete Zone. Any such laptop computer (or other similar device) carried by the team doctor (or physiotherapist, where applicable) must be password protected and password locked when not in use, with the password known only to the team doctor (or physiotherapist, where applicable). Further, the SSN Club doctor (or team physiotherapist in circumstances where there is no team doctor) shall be permitted to carry and use the NA issued tablet in accordance with the NA Policy & Guidelines for Management of Sport Related Concussions.
- 5.2.10 For the avoidance of any doubt, all individuals permitted to carry and use a laptop computer (or any other similar communication device) within the Athlete Zone pursuant to Clause 5.2 are deemed to have:
- 5.2.10.1 consented to having such laptop or other device monitored for the purpose of establishing whether or not the Internet has been accessed in any relevant period;
 - 5.2.10.2 agreed to provide such laptop or other device to the NA General Manager – Legal & Integrity immediately upon request for such purpose; and

- 5.2.10.3 agreed to provide such technical information about such laptop or other device to the NA General Manager – Legal & Integrity as may be necessary to carry out such purpose.
- 5.2.11 A two-way radio that has no internet or mobile data device enabled (ie a communication device that operates on a radio frequency) may be used for audio communications between the performance analyst and the team bench. The radio frequency must be secure and must not be accessible outside the performance analyst and the SSN Club Participants within the Athlete Zone. It is the responsibility of the SSN Club to seek approval from the NA General Manager – Legal & Integrity with such approval to include assurance that the radio frequency is secure and that no other person is able to access the communication.
- 5.2.12 The Umpires and Athletes may remotely access their Mobile Devices, which must remain in the secured box, and only use the Mobile Device for access to music (with airplane mode enabled). To be clear, the Umpires and Athletes must not take the Mobile Device out of the secured box at any time;
- 5.12.13 the Umpires may wear a Smart Watch, enabled to airplane mode, for timing keeping and/or performance. The Smart Watch must not be used for any other purpose.

6. The Authority of the NA General Manager – Legal & Integrity

- 6.1 At each SSN Competition Match, Participants, SSN Clubs and visitors to the Athlete Zone agree and acknowledge that the NA General Manager – Legal & Integrity (or such other member of the NA Integrity Unit) shall have absolute authority, without being required to provide any explanation or reason, to:
 - 6.1.1 be present in any part of the Athlete Zone (including, for the avoidance of doubt, any part of the team meeting areas within the team changerooms) where the NA General Manager – Legal & Integrity considers appropriate at any time on the day of the SSN Competition Match;
 - 6.1.2 request a Match Manager and/or Match Delegate issue a temporary ‘visitor’ accreditation pass for the Athlete Zone where he/she considers appropriate on the day of the SSN Competition Match;
 - 6.1.3 remove, or cancel the validity of, any Athlete Zone accreditation pass already issued, irrespective of the identity of the individual with such accreditation;

- 6.1.6 require any person in the Athlete Zone to immediately submit themselves and/or any clothing, baggage or other items in their possession, to be searched by the NA General Manager – Legal & Integrity, provided that such search is carried out in the presence of a third party (which may be a team manager, Match Delegate or a member of the venue security team).
- 6.2 Any failure to comply with any request made under Clause 6.1 shall be deemed to be a breach of this Policy and will be dealt with in accordance with Clause 7, below.

7. Breaches of this Policy

- 7.1 Where any SSN Club is alleged to have breached any of Clauses 2.2.1 – 2.2.6 (inclusive), then such alleged breach will be reported to the NA General Manager – Legal & Integrity by the Match Manager and/or Match Delegate.
