A BADGE PRACTICAL ASSESSMENT SHEET
NETBALL AUSTRALIA

Candidates for the 'A' badge should demonstrate a detailed understanding and application of all aspects of game management. There is an expectation that positioning, vision and timing will be guided by play and informed by an understanding of the game context, which allows for a more refined application of advantage.

Rule interpretations should demonstrate an understanding of the rule, an attention to detail and common sense in application. There should be a high level of consistency across both minor and major infringements, with only minor errors observed. With regard to contact, this includes distinguishing between fair contest and contact that interferes, and identifying and penalising causing contact and inevitable contact

To successfully pass the A Badge Practical Assessment, umpires must be rated as competent on all aspects of the assessable performance criteria. Testers only need to write a comment if the umpire has not achieved competency for a particular performance criteria. If the **ASSESSMENT DECISION** is **COMPETENT**, additional comments may be made in the General Comments section.

If the **ASSESSMENT DECISION** is **NOT YET COMPETENT**, the Testers need to outline the ACTION PLAN discussed with the umpire. The action plan statement should identify further training, development or assessment needs to assist the umpire to reach the competency standard. Completed assessment forms are to be given to the individual to upload to Netball Learning.
